And that's funny,

It was a truck. A truck. 2-3 minutes. 84 now dead, including 10 children.

Do you understand now? It's not the weapon.

DO YOU KNOW TRUMP IS A CORRUPT DOING

WHAT HE DID TO YOU? DON'T YOU SEE

Immigration and Nationality Act, etc., passed June 27,

1952. Islamic immigration to the U.S. is prohibited under this law because the Koran, Sharia Law and the Hadith all require complete submission to Islam, which is antithetical to the US government, the Constitution, and to the Republic. All Muslims who believe that the Koran is life's guiding principal also believe in total submission to Islam & sharia law.

To all who claim that Islam is a religion, read the law again ... the law states that Aliens who are affiliated with ANY "organization" that advocates the overthrow of the U.S. government are prohibited.

Here is number 8 US Code 1182, inadmissible aliens. This law was written in 1952. It was passed by a Democrat controlled Congress, House and Senate, and signed by a Democrat president:

"Suspension of entry or imposition of restrictions by president. Whenever the president finds that the entry of any aliens or of any class of aliens into the United States would be detrimental to the interests of the United States, the president may, by proclamation, and for such period as he shall deem necessary, suspend the entry of all aliens or any class of aliens as immigrants or non-immigrants or impose on the entry of...

It disgust me when there are drive byes and some child in a crib on the second floor is the only one that gets killed. Don't know why the black community doesn't go after the people that commit those crimes. They happen a lot more than any Ferguson type incidents do. I have asked a officer "need help" when he replied yes I put the offender on the ground and the officer had to tell me to stop from choking him out lol. I was a lil excited. But yes always ask.
